Your Network Health Provider Directory

This directory includes a list of health care providers who may provide you with medical care. These providers are independent contractors who are part of Network Health's provider network.

The information in this directory was current at the time of printing; however, changes occur frequently. Providers in this directory are available for the 2022 calendar year unless a provider contract is ended due to normal circumstances (death, retirement or move from the service area) or as a result of a formal disciplinary action relating to quality of care. For the most up-to-date list of providers, go to **networkhealth.com/find-a-doctor**. You can also call our member experience team at 844-625-2208 (TTY 800-947-3529).

A member experience representative can help you identify providers who are accepting new patients, those who are new to Network Health and those who are no longer contracted with Network Health.

Para asistencia en el idioma Español por favor contactar el departmento de servicios cliente a 844-625-2208.

Network Health does not discriminate on the basis of disability in the provision of programs, services or activities. If you need this material printed, interpreted or in an alternative format, or need assistance in using any of our services, please contact our member experience team at 844-625-2208 (TTY 800-947-3529), Monday - Friday 8 a.m. to 4:30 p.m.
