“

Volunteering alongside my Network Health colleagues, is special because you bring to life the mission of the organization, **building healthy and strong Wisconsin communities, together.** It's about spending time with colleagues, doing what we care about, for the greater good."

- Sarah D.  
Vice President Care Services,  
Network Health

## January 2025

Martin Luther King, Jr. Day Celebration

### Martin Luther King, Jr. Day Celebration

On January 20, Network Health joined more than 660 community members in Milwaukee to celebrate the life and legacy of Dr. Martin Luther King, Jr. This inspiring event featured a speech from Network Health President and CEO Coreen Dicus-Johnson, emphasizing the importance of continuing Dr. King's mission of equity and justice. She shared the stage with Froedtert ThedaCare Health, Inc. President and CEO Dr. Imran Andrabi, Governor Tony Evers and other prominent community leaders. Dr. King's legacy serves as a powerful reminder of the progress made and the work that remains to create a more equitable world for all.

## January 2025 (continued)

### Oshkosh Senior Center Open House

As the premier sponsor of the Oshkosh Senior Center's 2025 New Year, New You Open House and Wellness Fair, Network Health played a key role in promoting health and wellness among active, aging adults. More than 125 community members participated in engaging activities such as wellness bingo, meet and greets with local health and wellness organizations and informative break out sessions.

### Green Bay Gamblers Bobcat Special

In January, Network Health launched the 55+ Bobcat Club special in partnership with the Green Bay Gamblers. This exclusive offer was available to individuals aged 55 and older. More than 100 fans visited our engagement table at the first game.

## February 2025

### Valentines for Veterans

Network Health continues the tradition of honoring our local veterans at Valentine's Day, with Network Health employees, agents and community partners creating over 2,500 valentines. A special thank you to Impact Sports Academy, The School Baseball and Softball Academy, Oshkosh West High School, Vets & Friends of Wisconsin and the Wisconsin Department of Veteran Affairs for joining us in sharing appreciation with those who served.

### Cabin Fever Event with inSpire

Network Health employees joined the inSpire team to shake off the winter blues with our Cabin Fever event. Employees wore their best flannel, put their trivia skills to the test with a virtual Kahoot! and warmed up in the offices with chili and s'mores. The event brought employees together to enjoy a much-needed break from the winter chill.

## March 2025

### Sojourner Compassion in Action

Network Health sponsored Compassion in Action: Turning Awareness into Advocacy in partnership with Sojourner Family Peace Center. Coreen Dicus-Johnson, President and CEO of Network Health, led a panel discussion with community and corporate leaders regarding critical issues, including homelessness, housing instability and intimate partner violence. This sponsorship underscores Network Health's commitment to promoting awareness and long-term solutions for a healthier, more stable community.

### Network Health Community Partner Day

Community Engagement invited three strategic community partners—Thompson Center on Lourdes, Casa Guadalupe, and Fond du Lac Downtown Business Partnership—along with the Fond du Lac County Health Department and UW Extension to our 1570 office. This meet-and-greet event provided employees with the opportunity to learn more about these organizations and the valuable resources they offer to our employees, their family and friends, and our Network Health members.

### United Way of the Fox Cities Diaper Bank Volunteer Event

Eighteen Network Health employees volunteered to repack more than 21,000 diapers for local families in need. The diaper bank plays a critical role in ensuring families have access to essential supplies. This volunteer effort is just one of the many ways Network Health strives to support families and improve health outcomes in our community.

## Upcoming and Ongoing Events

### Medicare Member Welcome Events

Network Health continues to offer monthly educational events for new members to learn about the benefits of their Network Health plan for 2025. At these events, members can discuss pharmacy coverage, get answers to their Medicare Advantage plan questions and learn where we will be in the community. In the first quarter, 141 members attended our in-person and virtual events.

**Medicare members can register for events by visiting [networkhealth.com/medicare/events](https://networkhealth.com/medicare/events).**

**Network Health is an excellent company. They've met my medical needs in multiple ways. The staff is always helpful and friendly."**

### Swing into Spring with Network Health and the Wisconsin Timber Rattlers

For the third year in a row, Network Health is proud to partner with the Wisconsin Timber Rattlers for the exclusive Silver Foxes ticket package. For \$25, fans 55+ and active or retired military personnel get a box seat ticket, co-branded baseball hat, a beverage and a brat or hot dog.

**The promotion runs through June 13, so [get your tickets here](#).**

### Football Fun with Network Health and the Green Bay Blizzard

**You're invited to join us for an exciting night of football, fan camaraderie and exclusive perks at the Green Bay Blizzard games.**

Fans 55+ who purchase the \$25 discount ticket package will get a game ticket, exclusive stocking cap, hot dog and soda voucher and pre-game experience with Blizzard staff.

**Our Network Health team looks forward to meeting you at the game. [Get tickets here](#).**

### Farmer's Markets

This spring and summer join Network Health at local farm markets in Appleton, Milwaukee, West Bend and Fond du Lac. Meet the team, engage in a healthy activity and get a Network Health give-away item at our booth.

### Diabetes Prevention Programs

In 2025, Network Health is offering six Medicare Diabetes Prevention Program (MDPP) and Prevent T2 classes. The class offers a full year of support, tips and resources to encourage the development of healthy habits. **To find a class and register online, visit [networkhealth.com/diabetesprevention](https://networkhealth.com/diabetesprevention), call 920-720-1602 or email us at [NHPreventT2@networkhealth.com](mailto:NHPreventT2@networkhealth.com). A Network Health team member will contact you to confirm your registration.**

**Scan here for more information about upcoming events.**

### Catch the Action with Network Health at the Wisconsin vs. Marquette Celebrity Softball Slam

Get ready for a summer showdown as Wisconsin Badgers alumni take on their longtime rivals from Marquette University. Network Health members and fans will enjoy discounted tickets to the game to enjoy an afternoon of great softball, sunshine and fun. **[Get tickets here](#).**

### Join Network Health for a Legendary Night at the 25th Anniversary Green Bay Charity Softball Game

Network Health is the presenting sponsor of this year's Green Bay Charity Softball Game, hosted by quarterback Jordan Love. Celebrate 25 years of community fun and giving with an unforgettable evening at the ballpark. **[Get tickets here](#).**
