RHSAH22_3500_20	\$3,500	\$7,000		\$4,500	\$9,000			
RHSAH22_4000_20	\$4,000	\$8,000		\$5,000	\$10,000			
RHSAH22_5000_20	\$5,000	\$10,000		\$6,000	\$12,000			
RHSAH22_6000_20	\$6,000	\$12,000		\$6,900	\$13,800			

***Virtual visits are not covered out-of-network.**

Prescription options for non-HSA plans (0% coinsurance HSA plans have no charge after the deductible is met. 20% coinsurance HSA plans have the same prescription options as non-HSA plans except copayments are applied after the deductible has been met). \$25/\$45/\$65/\$150/\$250 or \$10/\$25/\$50/\$100/\$200.

Deductibles are embedded for family coverage on non-HSA plans and HSA plans with deductibles of \$3,500 or more. All copayments (medical and pharmacy) are applied to a common out-of-pocket maximum.

This summary is only intended to highlight and give a general description of some of the benefits available. For a complete description of the benefits, limitations and exclusions, please refer to the Summary of Member Responsibility Tables and Certificate of Coverage.

PCP = Primary care practitioner
