## SECTION 4 Deciding Which Plan to Choose

### Section 4.1 – If you want to stay in Network PlatinumPremier

**To stay in our plan you don't need to do anything.** If you do not sign up for a different plan or change to Original Medicare by December 7, you will automatically be enrolled in our Network PlatinumPremier.

### Section 4.2 – If you want to change plans

We hope to keep you as a member next year but if you want to change plans for 2023 follow these steps:

#### **Step 1: Learn about and compare your choices**

- You can join a different Medicare health plan,
- -- OR-- You can change to Original Medicare. If you change to Original Medicare, you will need to decide whether to join a Medicare drug plan. If you do not enroll in a Medicare drug plan, there may be a potential Part D late enrollment penalty.

To learn more about Original Medicare and the different types of Medicare plans, use the Medicare Plan Finder ([www.medicare.gov/plan-compare](https://www.medicare.gov/plan-compare)), read the *Medicare & You 2023* handbook, call your State Health Insurance Assistance Program (see Section 6), or call Medicare (see Section 8.2).

As a reminder, Network Health Insurance Corporation offers other Medicare health plans. These other plans may differ in coverage, monthly premiums, and cost-sharing amounts.

**Step 2: Change your coverage**

- To **change to a different Medicare health plan**, enroll in the new plan. You will automatically be disenrolled from Network PlatinumPremier.
  - To **change to Original Medicare with a prescription drug plan**, enroll in the new drug plan. You will automatically be disenrolled from Network PlatinumPremier.
- To **change to Original Medicare without a prescription drug plan**, you must either:
  - Send us a written request to disenroll. Contact our member experience team if you need more information on how to do so.
  - – *or* – Contact **Medicare**, at 1-800-MEDICARE (1-800-633-4227), 24 hours a day, seven days a week, and ask to be disenrolled. TTY users should call 1-877-486-2048.

**SECTION 5 Deadline for Changing Plans**

If you want to change to a different plan or to Original Medicare for next year, you can do it from **October 15 until December 7**. The change will take effect on January 1, 2023.

**Are there other times of the year to make a change?**

In certain situations, changes are also allowed at other times of the year. Examples include people with Medicaid, those who get “Extra Help” paying for their drugs, those who have or are leaving employer coverage, and those who move out of the service area.

If you enrolled in a Medicare Advantage plan for January 1, 2023, and don’t like your plan choice, you can switch to another Medicare health plan (either with or without Medicare prescription drug coverage) or switch to Original Medicare (either with or without Medicare prescription drug coverage) between January 1 and March 31, 2023.

If you recently moved into, currently live in, or just moved out of an institution (like a skilled nursing facility or long-term care hospital), you can change your Medicare coverage **at any time**. You can change to any other Medicare health plan (either with or without Medicare prescription drug coverage) or switch to Original Medicare (either with or without a separate Medicare prescription drug plan) at any time.

**SECTION 6 Programs That Offer Free Counseling about Medicare**

The State Health Insurance Assistance Program (SHIP) is an independent government program with trained counselors in every state. In Wisconsin, the SHIP is called Wisconsin SHIP.

It is a state program that gets money from the Federal government to give **free** local health insurance counseling to people with Medicare. Wisconsin SHIP counselors can help you with your Medicare questions or problems. They can help you understand your Medicare plan choices and answer questions about switching plans. You can call Wisconsin SHIP at 800-242-1060. You can learn more about Wisconsin SHIP by visiting their website at <https://www.dhs.wisconsin.gov/benefit-specialists/medicare-counseling.htm>.

- **“Extra Help” from Medicare.** People with limited incomes may qualify for “Extra Help” to pay for their prescription drug costs. If you qualify, Medicare could pay up to 75 percent or more of your drug costs including monthly prescription drug premiums, annual deductibles, and coinsurance. - **What if you have coverage from an AIDS Drug Assistance Program (ADAP)?** The AIDS Drug Assistance Program (ADAP) helps ADAP-eligible individuals living with HIV/AIDS have access to life-saving HIV medications. Medicare Part D prescription drugs that are also covered by ADAP qualify for prescription cost-sharing assistance through the Wisconsin AIDS/HIV Drug Assistance Program at 608-267-6875 or 800-991-5532. **Note:** To be eligible for the ADAP operating in your State, individuals must meet certain criteria, including proof of State residence and HIV status, low income as defined by the State, and uninsured/under-insured status.

## NOTICE OF UPDATE

Please reference the details found below regarding important information related to changes in Medicare Advantage coverage, as a result of the Inflation Reduction Act (IRA) enacted on August 16, 2022. These updates impact Medicare Part B prescription drug coverage and Medicare Part B insulin coverage. Here is a quick summary of the updates.

1. Beginning April 1, 2023, the Centers for Medicare & Medicaid Services (CMS) is starting a new Inflation Rebate Program impacting certain Part B drugs.

This new drug law requires drug companies to pay a rebate if they raise their prices for certain drugs faster than the rate of inflation. You may see lower out-of-pocket costs for certain Part B drugs and biologics with prices that have increased faster than the rate of inflation. For these drugs and biologics, your coinsurance will be 20 percent of the inflation-adjusted payment amount, which will be less than what you would pay in coinsurance otherwise.
