Annual Notice of Changes for 2023

You are currently enrolled as a member of NetworkPrime. Next year, there will be changes to the plan’s costs and benefits. Please see page 4 for a Summary of Important Costs, including Premium.

This document tells about the changes to your plan. To get more information about costs, benefits, or rules please review the Evidence of Coverage, which is located on our website at networkhealth.com. You can also review the separately mailed Evidence of Coverage to see if other benefit or cost changes affect you. (You may also call our member experience team to ask us to mail you an Evidence of Coverage.)

- You have from October 15 until December 7 to make changes to your Medicare coverage for next year.

What to do now

1. ASK: Which changes apply to you

☐ Check the changes to our benefits and costs to see if they affect you.
   - Review the changes to Medical care costs (doctor, hospital).
   - Think about how much you will spend on premiums, deductibles and cost sharing.

☐ Think about whether you are happy with our plan.

2. COMPARE: Learn about other plan choices

☐ Check coverage and costs of plans in your area. Use the Medicare Plan Finder at www.medicare.gov/plan-compare website or review the list in the back of your Medicare & You 2023 handbook.

☐ Once you narrow your choice to a preferred plan, confirm your costs and coverage on the plan’s website.
3. **CHOOSE:** Decide whether you want to change your plan

- If you don't join another plan by December 7, 2022, you will stay in NetworkPrime.
- To change to a **different plan,** you can switch plans between October 15 and December 7. Your new coverage will start on **January 1, 2023.** This will end your enrollment with NetworkPrime.
- If you recently moved into, currently live in, or just moved out of an institution (like a skilled nursing facility or long-term care hospital), you can switch plans or switch to Original Medicare (either with or without a separate Medicare prescription drug plan) at any time.

SECTION 4 Deciding Which Plan to Choose

Section 4.1 – If you want to stay in NetworkPrime

To stay in our plan you don’t need to do anything. If you do not sign up for a different plan or change to Original Medicare by December 7, you will automatically be enrolled in our NetworkPrime.
Section 4.2 – If you want to change plans

We hope to keep you as a member next year but if you want to change plans for 2023 follow these steps:

Step 1: Learn about and compare your choices

- You can join a different Medicare health plan,
- -- OR-- You can change to Original Medicare. If you change to Original Medicare, you will need to decide whether to join a Medicare drug plan. If you do not enroll in a Medicare drug plan, there may be a potential Part D late enrollment penalty.

To learn more about Original Medicare and the different types of Medicare plans, use the Medicare Plan Finder (www.medicare.gov/plan-compare), read the Medicare & You 2023 handbook, call your State Health Insurance Assistance Program (see Section 6), or call Medicare (see Section 8.2).

As a reminder, Network Health Insurance Corporation offers other Medicare health plans and Medicare prescription drug plans. These other plans may differ in coverage, monthly premiums, and cost-sharing amounts.

Step 2: Change your coverage

- To change to a different Medicare health plan, enroll in the new plan. You will automatically be disenrolled from NetworkPrime.
- To change to Original Medicare with a prescription drug plan, enroll in the new drug plan and disenroll from NetworkPrime. Enrolling in the new drug plan will not automatically disenroll you from NetworkPrime. To disenroll from NetworkPrime you must send us a written request to disenroll. Contact our member experience team if you need more information on how to do so.
- To change to Original Medicare without a prescription drug plan, you must send us a written request to disenroll. Contact our member experience team if you need more information on how to do so.

SECTION 5 Deadline for Changing Plans

If you want to change to a different plan or to Original Medicare for next year, you can do it from October 15 until December 7. The change will take effect on January 1, 2023.

Are there other times of the year to make a change?

In certain situations, changes are also allowed at other times of the year. Examples include people with Medicaid, those who get “Extra Help” paying for their drugs and those who move out of the service area.

If you recently moved into, currently live in, or just moved out of an institution (like a skilled nursing facility or long-term care hospital), you can change your Medicare coverage at any time. You can change to any other Medicare health plan (either with or without Medicare prescription drug coverage) or switch to Original Medicare (either with or without a separate Medicare prescription drug plan) at any time.
SECTION 6 Programs That Offer Free Counseling about Medicare

The State Health Insurance Assistance Program (SHIP) is an independent government program with trained counselors in every state. In Wisconsin, the SHIP is called Wisconsin SHIP.

It is a state program that gets money from the Federal government to give free local health insurance counseling to people with Medicare. Wisconsin SHIP counselors can help you with your Medicare questions or problems. They can help you understand your Medicare plan choices and answer questions about switching plans. You can call Wisconsin SHIP at 800-242-1060. You can learn more about Wisconsin SHIP by visiting their website at https://www.dhs.wisconsin.gov/benefit-specialists/medicare-counseling.htm.

SECTION 7 Programs That Help Pay for Prescription Drugs

The law does not allow Medicare Advantage MSA plans to offer Medicare prescription drug coverage. If you have a Medicare MSA plan, you can, however, also join a Medicare prescription drug plan to get coverage. Any money that you use from your MSA savings account on drug plan deductibles or cost sharing will not count towards your MSA plan deductible, but it will count towards your drug plan’s out-of-pocket costs. If you are interested in enrolling in a Medicare prescription drug plan or to see what plans are available in your area, visit www.medicare.gov or call 1-800-MEDICARE (1-800-633-4227), 24 hours a day, seven days a week. TTY users should call 1-877-486-2048. Generally, unless you are new to Medicare or meet a special exception, you can only join during the Medicare fall open enrollment period, which occurs from October 15 to December 7.

Please note that you may qualify for help paying for prescription drugs. Below we list different kinds of help:

- **“Extra Help” from Medicare.** People with limited incomes may qualify for “Extra Help” to pay for their prescription drug costs. If you qualify, Medicare could pay up to 75 percent or more of your drug costs including monthly prescription drug premiums, annual deductibles, and coinsurance. Additionally, those who qualify will not have a coverage gap or late enrollment penalty. To see if you qualify, call:
  - 1-800-MEDICARE (1-800-633-4227). TTY users should call 1-877-486-2048, 24 hours a day, seven days a week;
  - The Social Security Office at 1-800-772-1213 between 8 a.m. and 7 p.m., Monday through Friday for a representative. Automated messages are available 24 hours a day. TTY users should call, 1-800-325-0778; or
  - Your State Medicaid Office (applications).

- **Help from your state’s pharmaceutical assistance program.** Wisconsin has a program called Wisconsin Senior Care that helps people pay for prescription drugs based on their financial need, age, or medical condition. To learn more about the program, check with your State Health Insurance Assistance Program.
What if you have coverage from an AIDS Drug Assistance Program (ADAP)? The AIDS Drug Assistance Program (ADAP) helps ADAP-eligible individuals living with HIV/AIDS have access to life-saving HIV medications. Medicare Part D prescription drugs that are also covered by ADAP qualify for prescription cost-sharing assistance through the Wisconsin AIDS/HIV Drug Assistance Program. Note: To be eligible for the ADAP operating in your State, individuals must meet certain criteria, including proof of State residence and HIV status, low income as defined by the State, and uninsured/under-insured status.

If you are currently enrolled in an ADAP, it can continue to provide you with Medicare Part D prescription cost-sharing assistance for drugs on the ADAP formulary. In order to be sure you continue receiving this assistance, please notify your local ADAP enrollment worker of any changes in your Medicare Part D plan name or policy number. The Wisconsin AIDS/HIV Drug Assistance Program can be reached at 608-267-6875 or 800-991-5532.

For information on eligibility criteria, covered drugs, or how to enroll in the program, please call the Wisconsin AIDS/HIV Drug Assistance Program at 608-267-6875 or 800-991-5532.
