SECTION 2 How to change Plans

To stay in Network Health Prime, you don’t need to do anything. Unless you sign up for a different Medicare health plan or change to Original Medicare by December 7, you’ll automatically be enrolled in our Network Health Prime.

If you want to change plans for 2027, follow these steps:

- **To change to a different Medicare health plan,** enroll in the new plan. You’ll be automatically disenrolled from Network Health Prime. Remember, not all Medicare health plans cover prescription drugs. Also be aware that for many plans you can't join a Medicare health plan and simultaneously purchase a prescription drug plan.
- **To change to Original Medicare with separate Medicare drug coverage,** enroll in the new Medicare drug plan. You’ll be automatically disenrolled from Network Health Prime.
- **To change to Original Medicare without a drug plan,** you can send us a written request to disenroll. Call our member experience team at 800-378-5234 (TTY users call 711) for more information on how to do this. Or call **Medicare** at 1-800-MEDICARE (1-800-633-4227) and ask to be disenrolled. TTY users can call 1-877-486-2048. If you don’t enroll in a Medicare drug plan, you may pay a Part D late enrollment penalty (go to Section 3).
- **To learn more about Original Medicare and the different types of Medicare plans,** visit [Medicare.gov](https://www.medicare.gov), check the *Medicare & You* 2027 handbook, call your State Health Insurance Assistance Program (go to Section 4), or call 1-800-Medicare (1-800-633-4227). As a reminder, Network Health Insurance Corporation offers other Medicare health plans. These other plans can have different coverage, monthly plan premiums, and cost-sharing amounts.

Section 2.1 Deadlines for Changing Plans

People with Medicare can make changes to their coverage from **October 15 – December 7** each year.

If you enrolled in a Medicare Advantage plan for January 1, 2027, and don't like your plan choice, you can switch to another Medicare health plan (with or without Medicare drug coverage) or switch to Original Medicare (with or without Medicare drug coverage) between January 1 – March 31, 2027.

Section 2.2 Are there other times of the year to make a change?

In certain situations, people may have other chances to change their coverage during the year. Examples include people who:

- Have Medicaid
- Get Extra Help paying for their drugs
- Have or are leaving employer coverage
- Move out of our plan's service area

If you recently moved into or currently live in an institution (like a skilled nursing facility or long-term care hospital), you can change your Medicare coverage **at any time**. You can change to any other Medicare health plan (with or without Medicare drug coverage) or switch to Original Medicare (with or without separate Medicare drug coverage) at any time. If you recently moved out of an institution, you have an opportunity to switch plans or switch to Original Medicare for two full months after the month you move out.

SECTION 3 Get Help Paying for Prescription Drugs

You may qualify for help paying for prescription drugs. Different kinds of help are available:

- **Extra Help from Medicare.** People with limited incomes may qualify for Extra Help to pay for their prescription drug costs. If you qualify, Medicare could pay up to 75% or more of your drug costs, including monthly drug plan premiums, yearly deductibles, and coinsurance. Also, people who qualify won't have a late enrollment penalty. To see if you qualify, call:
 - 1-800-MEDICARE (1-800-633-4227). TTY users can call 1-877-486-2048, 24 hours a day seven days a week.
 - Social Security at 1-800-772-1213 between 8 a.m. and 7 p.m., Monday - Friday for a representative. Automated messages are available 24 hours a day. TTY users can call 1-800-325-0778.
 - Your State Medicaid office.
- **Help from your state's pharmaceutical assistance program (SPAP).** Wisconsin has a program called Wisconsin SeniorCare that helps people pay for prescription drugs based on their financial need, age, or medical condition. To learn more about the program, check with your State Health Insurance Assistance Program (SHIP). To get the phone number for your state, visit shiphelp.org, or call 1-800-MEDICARE.
- **Prescription Cost-sharing Assistance for Persons with HIV/AIDS.** The AIDS Drug Assistance Program (ADAP) helps ensure that ADAP-eligible people living with HIV/AIDS have access to life-saving HIV medications. To be eligible for the ADAP operating in your State, you must meet certain

criteria, including proof of state residence and HIV status, low income as defined by the state, and uninsured/under-insured status. Medicare Part D drugs that are also covered by ADAP qualify for prescription cost-sharing help through the Wisconsin AIDS/HIV Drug Assistance Program. For information on eligibility criteria, covered drugs, how to enroll in the program, or, if you're currently enrolled, how to continue getting help, call the Wisconsin AIDS/HIV Drug Assistance Program at 608-261-6952, 608-267-6875 or 800-991-5532. Be sure, when calling, to inform them of your Medicare Part D plan name or policy number.

The law doesn't allow Medicare Advantage Medical Savings Account (MSA) plans to offer Medicare drug coverage. If you have a Medicare MSA plan, you can also join a Medicare drug plan to get coverage. Any money that you use from your MSA savings account on drug plan deductibles or cost sharing will **not** count towards your MSA plan deductible, but it will count towards your drug plan's out-of-pocket costs. To enroll in a Medicare drug plan or to see what plans are available in your area, visit [Medicare.gov](https://www.medicare.gov) or call 1-800-MEDICARE (1-800-633-4227), 24 hours a day, seven days a week. TTY users should call 1-877-486-2048. Generally, unless you're new to Medicare or meet a special exception, you can only join during the Medicare fall open enrollment period (October 15 to December 7).
