#### **Discontinued Procedures**

# Values

Accountability • Integrity • Service Excellence • Innovation • Collaboration

# **Abstract Purpose:**

This reimbursement policy outlines Network Health's process, for all lines of business, when claims are submitted with Modifier 53 or Modifier 73.

# **Policy Detail:**

I. Network Health will reimburse claims submitted with Modifier 53 or Modifier 73 at twenty-five percent (25%) of the allowed amount, unless otherwise specified in your provider contract with Network Health.

# II. Modifier 53:

- A. Modifier 53 should be used:
  - 1 When a surgical or diagnostic procedure was started and discontinued by the physician
  - 2 Before or after anesthesia has been administered
- B. Modifier 53 should <u>not</u> be used:
  - 1. When the service was provided in an Ambulatory Surgery Center (ASC) or hospital setting
  - 2. If the service billed is an evaluation & management or anesthesia charge
  - 3. If the service was an elective cancellation by the patient, prior to the administration of anesthesia

### III. Modifier 73:

- A. Modifier 73 should be used:
  - 1. Prior to the start of patient procedure; including sedation and/or surgical room preparation
  - 2. Before anesthesia has been administered
- B. Modifier 73 should <u>not</u> be used:
  - 1. If the service was an elective cancellation by the patient; prior to the administration of anesthesia
  - 2. After anesthesia has been administered

### **Definitions:**

Modifier 53 – Discontinued Procedure

<u>Modifier 73</u> – Discontinued Outpatient Hospital/Ambulatory Surgery Center (ASC) Procedure Prior to the Administration of Anesthesia
