Self-Administered Drug (SAD) Policy - Medicare Advantage

ValuesAccountability • Integrity • Service Excellence • Innovation • Collaboration

Abstract Purpose:

This reimbursement policy outlines Network Health's process, for the Medicare Advantage line of business, when self-administered drugs are provided in a facility setting.

Policy Detail:

- I. Self-Administered Drugs are considered medically necessary when administered in the following settings:
 - A. Emergency Room (ER)
 - B. Urgent Care (U/C)
- II. If the self-administered drug is not administered in the ER or U/C setting, and is billed with the following coding combination, it will be denied as not covered and will be member liability.
 - A. Revenue Code **0637**/Pharmacy-Extension of 25x
 - B. A HCPC code located in the Self-Administered Drug Exclusion List: Medical Policy Article, available on the CMS website

Note: Codes that are considered unclassified will require an NDC number and code description for claim processing.
