

Network Health Group Medicare Advantage PPO Billing and Coverage

Information for Providers

Network Health's Group Medicare Advantage plan is a **Passive Preferred Provider Organization (PPO)** plan that provides coverage for members throughout the United States and its territories. As a passive PPO, benefits are the same in and out of network.

With the Network Health Group Medicare Advantage plan,

- Members can seek care at any provider's office or facility that accepts Medicare.
- Out-of-network providers receive reimbursement at 100% of Medicare rates following Medicare payment and reimbursement rules and regulations.
- Referrals or prior authorization are **not** required for out-of-network providers.

Claims

Submit claims for all members services to Network Health electronically or by mail. Claims are processed within 30 days of receipt of a clean claim.
