

Upcoming Provider Satisfaction Survey

Network Health has partnered with SPH to conduct our annual provider satisfaction survey. The survey will be conducted from October 1 through November 12. You will be receiving an email from SPH on Network Health's behalf with a link to complete the survey. If you do not complete the survey via email, a representative from SPH will be contacting you to conduct the survey over the phone. Network Health uses the results to ensure we maintain service excellence in the areas we are striving and to improve in areas where we can be better. The survey should take approximately 5 minutes via email. Thank you in advance for your participation.
