QUARTER TWO EVENTS

Wisconsin Parkinson's Association Spring Symposium

The 2026 Wisconsin Parkinson's Spring Symposium brought together people and families living with Parkinson's, care partners, and professionals for a day of learning, connection, and support. Attendees explored disease management and local resources to enhance quality of life. Network Health engaged with attendees, sharing programs to support those navigating Parkinson's.

Community Partner Day

This spring, Network Health's Community Engagement team hosted partner organizations in Menasha—including the **Heart of the Valley YMCA**, **Salvation Army of the Fox Cities**, and **Do Good Door County**—to share information, build connections, and highlight resources and opportunities for involvement.

"Thank you again for having us at your Network Health Community Day. We really enjoyed being there, and I'm so glad your team enjoyed learning more about The Salvation Army and the work happening throughout the Fox Cities!"

– Kristal Knudtson, The Salvation Army Fox Cities

Moraine Park Technical College, Fond Du Lac Health & Wellness Fair

The **Moraine Park Technical College Health and Wellness Fair** connected students, staff, and community members with resources on health and preventive care. Network Health shared programs to support better understanding of benefits and access to care.

Northeast Wisconsin Flood Relief Support

Network Health quickly mobilized support for flood relief in Northeast Wisconsin, providing essential items to impacted individuals, members, agents, and families at New London High School. These efforts reflect our commitment to community well-being and responsiveness in times of need.

Green Bay Packers Charity Softball Game

Network Health supported the 2026 Green Bay Packers Charity Softball Game, benefiting Jordan Love's **Hands of 10ve Foundation** and Micah Parsons **Lion Heart Foundation**. The event brought together employees, partners, and community members for an amazing evening of connection and philanthropy, raising **\$200,000** to support these causes.

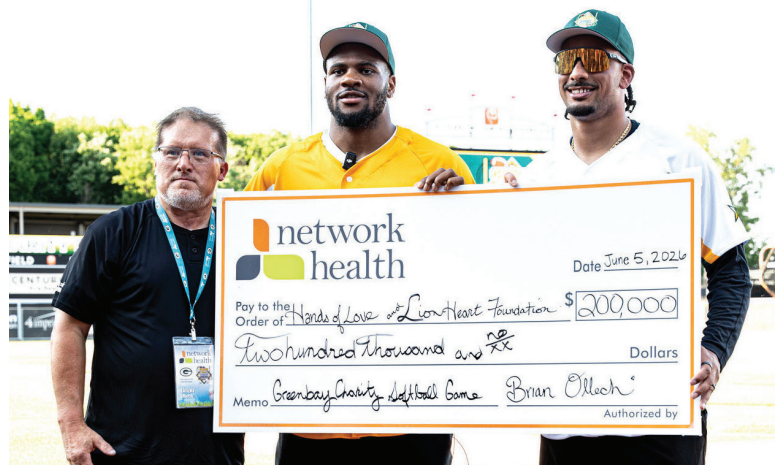

Capri Communities:

Enjoy Life Active Aging Symposium

Network Health was the presenting sponsor for the **Enjoy Life Active Aging Symposium**, welcoming more than **1,250** attendees for a day of wellness, learning, and connection. As Presenting Sponsor, Network Health engaged participants through interactive activities like a smoothie cycle, and educational sessions with a bingo twist, helping promote healthy, active lifestyles and strengthen community connections.

Milwaukee County Zoo Senior Safari

Senior Safari at the Milwaukee County Zoo provided a lively setting for connection and wellness, with Network Health as presenting sponsor. Attendees engaged at multiple stations offering resources, activities, and support.

Autism All-Stars Event in Partnership with Green Bay Blizzard and 2Myles4Autism Run/Walk

For the first time, Network Health supported the 2026 Autism All-Stars Event and Resource Fair, bringing together community members and organizations to support individuals with autism. The team helped create an inclusive experience, reinforcing a commitment to connection and support.

Network Health Volunteers Get Their Hands Dirty

Heckrodt Wetland Reserve

Heckrodt Wetland Reserve volunteers planted milkweeds in the prairie and pulled Dame's rocket, an invasive species.

"The event was hard work but fun and educational"

- Trista H.

Beaming, Inc.

Beaming, Inc. volunteers helped get horses ready for riding, greeted participants and helped with horse handling.

"I absolutely love volunteering through Network Health, and I am so grateful for all the work that goes into making these events possible."

- April P.
