Your Network Health Provider Directory

This directory includes a list of health care providers who may provide you with medical care. These providers are independent contractors who are part of Network Health's provider network.

The information in this directory was current at the time of printing, however changes occur frequently. Providers in this directory are available for the 2020 calendar year unless a provider contract is ended due to normal circumstances (death, retirement or move from the service area) or as a result of a formal disciplinary action relating to quality of care. For the most up-to-date list of providers, go to **networkhealth.com/find-a-doctor**. You can also call our customer service department at 844-625-2208 (TTY 800-947-3529).

A customer service representative can help you find providers who are accepting new patients, those who are new to Network Health and those who are no longer contracted with Network Health.

This directory does not describe benefits and should only be used as a tool to help you access care. If you have questions specific to your coverage please refer to your ETF *It's Your Choice* material for the benefits that apply to you or call Network Health's customer service department at 844-625-2208 (TTY 800-947-3529).

Network Health does not discriminate on the basis of disability in the provision of programs, services, or activities. If you need this material printed, interpreted or in an alternative format, or need assistance in using any of our services, please contact our customer service department at 844-625-2208 (TTY 800-947-3529), Monday, Wednesday-Friday from 8 a.m. to 5 p.m. and Tuesday from 8 a.m. to 4 p.m.

Choose a Personal Doctor

A primary care physician (PCP) is your personal doctor. It's important that each person on your plan choose a doctor to coordinate their care. Your doctor will become familiar with you and can help ensure you get the care you need. Your doctor will track your overall health and can recommend the best treatment for you. All family members do not need to have the same primary care physician and you can change your doctor at any time. Remember to check each year that your doctor is still contracted with Network Health. There are two ways to choose or verify a primary care physician.

1. Visit **login.networkhealth.com**. Once signed in, select your name in the upper right corner to view your profile. Click **Change My Personal Doctor** and follow the steps that appear to select or change your doctor.
2. Call our customer service department at 844-625-2208.

You can also search doctors and specific facilities at any time by going to **networkhealth.com/find-a-doctor**.

To receive full coverage when seeing a contract provider, he or she must provide the services at a contract facility.

Emergencies

When you or a covered family member faces a medical emergency, we want you to get care fast. An emergency situation is defined as an injury, a worsening medical condition or illness, or severe pain, and you or others feel that your health is in serious danger if you do not receive help immediately.

In an emergent situation, go to the nearest emergency facility or call 911 if the service is available in your area. Network Health will cover the cost of your medical care, excluding any applicable cost sharing, whether you are at a contracted facility or not. If you use an out-

of-network provider, all follow-up care must be performed by a Network Health provider. If you or a family member is unsure if your condition is an emergency or may require care after regular office hours, call your personal doctor's office. You can also visit **networkhealth.com/getting-care-quickly** for the most up-to date list of nurse lines and information about virtual visits. We are eliminating Nurseline in 2020. Are the nurse lines referred to here through provider systems?

Urgent Care Services

If you feel ill during regular office hours, please contact your personal doctor. If your illness occurs outside regular office hours, you can seek urgent care services from a hospital-based or non-hospital-based urgent care facility.

If you receive urgent care services from a non-participating urgent care facility, you will receive the in-network cost only if one of the following is true.

- You receive the services in the emergency department of a hospital or in a hospital-based urgent care facility
- You receive the services in a non-hospital-based urgent care facility and you provide us with notification within 48 hours of receiving the service.

To provide notification, please call our care management department at 800-236-0208 (TTY 800-947-3529). For mental health and substance abuse services contact Network Health's care management behavioral health department at 800-555-3616.

Customer Service

If you have any questions about our provider network, benefits, how to submit a claim or specific services, please call our customer service department at 844-625-2208 (TTY 800-947-3529). **Representatives can be reached Monday, Wednesday-Friday from 8 a.m. to 5 p.m. and Tuesday from 8 a.m. to 4 p.m.**

Our customer service department offers bilingual language assistance or translation services. If you have questions about a specific provider listed in this directory, please call his or her office or clinic using the phone number in this directory. If you are dissatisfied with a health care provider or a service you received, call us to help resolve the issue.

You can learn about filing a grievance or appeal at networkhealth.com.

Department of Employee Trust Funds (ETF) complaints

If you would like to request a rereview of your claim you may call our customer service department at 844-625-2208 or 920-720-1811 (TTY line users call 800-947-3529).

If you request a claim rereview, Network Health will complete a second review your claim, and will notify you of the decision once the review is completed.

In addition to the independent review organization (IRO) process, you have the right to request a review of your grievance by ETF. You may call or send a letter to ETF and request a complaint form (ET-2405). The complaint form must accompany your request for review by ETF.

Department of Employee Trust Funds
P.O. Box 7931
Madison, WI 53707-7931
877-533-5020

Your written request should be sent to ETF within 60 days of the date of the denial letter. Requests must contain all documentation, including the plan's response to your grievance and a description of the contract provision(s) at issue. Your complaint will be referred to the Ombudsperson (or public advocate appointed by the government) for review and investigation.

If you would like more information about how filing a request for independent review will affect your rights for a review under ETF, you should contact the Ombudsperson directly at the number listed above because the IRO decision is binding.

How to Access Care When Outside the Network Health Service Area

If you cannot safely travel to receive care from your personal doctor, you should do the following when seeking emergent medical care outside the Network Health coverage area.

- Seek help at an emergency room
- Seek help at a hospital-based or non-hospital-based urgent care facility
- Seek help at the college's medical center (for dependents away at college)
- For out-of-area mental health benefits, please consult your *It's Your Choice* material
- Present your member ID card when admitted to a hospital emergency room
- Notify Network Health within 48 hours if you are admitted to the hospital for continued observation or as an inpatient

Follow up care must be provided by an in-network provider. If this is not possible, follow-up care must be coordinated by your personal doctor and approved by Network Health.

Some out-of-area medical facilities may require payment for care at the time it is given. You may be responsible for cost sharing, please consult your *It's Your Choice* materials for more information.

Submitting a Claim

Most hospitals and doctor offices submit claims on your behalf. But some out-of-area medical facilities may require you to pay for care at the time it's given. To arrange for reimbursement, you must send itemized bills

and proof of payment within 90 days of the appointment to Network Health. You can send these to:

Network Health
Attn: Claims Department
P.O. Box 568
Menasha, WI 54952

Please note: Submitting a claim to this address doesn't guarantee it will be reimbursed. You must receive a prior authorization from Network Health for out-of-area claims to be reimbursed.

For more information, contact our customer service department at 844-625-2208.
