Network Health Medicare Advantage Plans include MSA, HMO and PPO plans with a Medicare contract. Enrollment in Network Health Medicare Advantage Plans depends on contract renewal. Out-of-network/non-contracted providers are under no obligation to treat Network Health members, except in emergency situations. Please call our customer service number or see your Evidence of Coverage for more information, including the cost-sharing that applies to out-of-network services. Please note Delta Dental's Medicare Advantage Network only consists of dentists in the state of Wisconsin. If you receive services from a dentist that does not participate in Delta Dental's Medicare Advantage Network you will be responsible for the difference between Delta Dental's payment to you and the amount charged by the nonparticipating dentist.
