For authorization, please provide the CPT, HCPCS, and/or revenue code appropriate for the planned service.

Whether Network Health is the primary, secondary or tertiary insurer, authorization procedures must be followed to receive coverage.

All services must be medically necessary. Certain services are directly excluded from coverage under the various coverage documents (e.g., bariatric surgery, mental health transitional care and acupuncture, etc.) and will be reviewed when a claim is submitted to determine benefit availability and claim payment.
